

# Asian Project Market (APM) Accomplishments

## 1. Overview

Launched in 1998, APM has discovered and supported promising Asian film projects. Film projects all over the world come to Busan and explore financing and co-producing opportunities with the film industry professionals around the world.

## 2. Previous APM Participating Projects' Current Address

Of all projects that were presented through the past 28 APMs, approximately 319 among 751 projects are now completed into feature films. Once completed, most of these films received critical acclaim worldwide from renowned international film festivals with invitations and honors.
